Dear Parents,

Volume 3,  
Issue 3

It doesn't seem possible Valentines is just around the corner already. Once again we will be busy preparing a gift for patients at the Hale Nani Care Home on Pensacola as well as doing a project for computer class. The children will be practicing lining up letters as well as changing font color and size.

PLEASE BE WORKING on your child's PROJECT. There is just a little over a month to get them done. ADD as much details as possible. PARENT DRIVERS will be needed for the up-coming field trips.

Thanks for all your support. *Sincerely,*  
*Mrs. Rittenbach*
